Mission, Vision, Values

OUR MISSION

Every pet deserves a good life. With a vision to end animal suffering, we rescue, heal, adopt and advocate for sick, injured and abused animals.

OUR VISION

End animal suffering, homelessness and needless euthanasia.

OUR VALUES

Innovation. Compassion. Excellence.

Dear Friend,

EVERYTHING WE DO COUNTS.

Every homeless pet who comes through our doors needs something. For some, it may be as simple as an extra hug or peanut butter stuffed treat that makes their stay here a bit more comfortable. For others, it is an extensive surgery that is the difference between life and death.

Every action we take makes a difference to the more than 16,000 homeless pets we care for each year.

Every donation adds up to a life saved. Every volunteer hour improves a pet's stay with us. Every animal advocate gives hope. Everything we are doing, and everything you are doing counts.

Together, we are making an incredible difference and changing our community for animals. With your help, we've implemented new, innovative programs over the last few years that have helped us save more lives than we ever have before. More than we could have ever imagined just a decade ago.

This past year, we celebrated several key victories for animals, some of which you'll read about in the pages to come. But our work is far from done.

We will soon embark on a new era in which we replace our outdated Sunnyslope facility with a new, state-of-the-art campus, anchored by an Animal Medical Center, that will allow us to save even more lives.

Our vision to end animal suffering, homelessness and needless euthanasia in our community has never felt closer. What we do, together, will get us there.

Everything. It all adds up. It all counts.

Thank you for everything you do to impact the lives of homeless pets.

Sincerely,

Dr. Steven R. Hansen
AHS President & CEO

Every Resource Counts

A pet's place is at home. Affordable veterinary services, behavior and training solutions and our Pet Resource Center help keep families together.

Momo

KEEPING A MUCH-LOVED PET

Momo's family came to AHS planning to surrender their beloved cat as they couldn't afford treatment for a significantly infected wound. Our Pet Resource Center, Admissions and Vet Services teams worked together to identify generous grant funding from the Brooks Keeping Families Together Project, which allowed Momo to receive financial assistance for his care at AHS' Margaret McAllister Brock Veterinary Clinic, and Momo was able to remain in his loving home.

Every Home Counts

Whether it's a forever home, a foster home or a pet reunited with a home once thought lost, every home offers a second chance at happiness.

Tygra & Panthro

DYNAMIC DUO PULLED FROM DUMPSTER

A Good Samaritan found Tygra and Panthro tossed away like trash in a plastic bag in a dumpster. Our Emergency Animal Medical Technicians™ rescued the kittens, who were transported to our Second Chance Animal Trauma Hospital™. The tiny pair were placed in the care of an AHS Foster Hero, who bottle fed them and provided constant snuggles and love. After nearly six weeks, the dynamic duo was ready for adoption and found loving homes.

Every Minute Counts

A few minutes could be the difference between an Emergency Animal Medical Technician™ rescuing a dog trapped in a canal in time or one of our vets saving a critically injured cat, fighting for his life on a surgery table.

Lulu

FROM HOT CAR TO HAPPY HOME

Lulu was lethargic and desperate for help when she was rescued from a hot car by the police. Our Emergency Animal Medical Technicians™ rushed her to our Second Chance Animal Trauma Hospital™, where we discovered she was suffering from the dangerous parvo virus. After spending several weeks recovering in our Parvo Puppy ICU, Lulu found a home.

Jiffy + Ditch

TINY KITTENS OVERCOME BIG OBSTACLES

Rescued from the side of the road, Ditch was covered in maggots, and Jiffy was found in a body shop slathered in motor oil. Orphaned by their mothers, both were saved in our Bottle Baby Kitten ICU and then spent time in a Foster Hero home before finding new forever families.

Rosanna

HEALING MORE THAN PHYSICAL WOUNDS

Rosanna was rescued by our Emergency Animal Medical Technicians™ after they found her chained to a tree with no shelter or water. This abused pup required extensive work with our Behavior team. Our Ethical No-kill Philosophy ensured we never gave up on Rosanna, and after more than 400 days of frozen treats, long walks, agility sessions, treat games and other enrichment activities and behavior support she received both in and out of the shelter, Rosanna finally found a forever home.

Every *Voice* Counts

Your voice means everything to our furry friends who can't speak for themselves. Through your help with our youth and adult education programs, community outreach and advocacy efforts, we are making Arizona a safer and better place for animals.

Baby

TRIUMPHING OVER ABUSE

Baby, a Labrador mix, was the victim of neglect, arriving at AHS weighing just 36 pounds, unable to put weight on her back leg and suffering from untreated Valley Fever. After nearly 12 months recovering in a Foster Hero home, Baby found a loving family. The person responsible for Baby's neglect was sentenced to a 45-day jail term.

Every Partner Counts

By collaborating with partners to expand ways to find homes for pets, reduce overcapacity in shelters, reunite lost pets and increase spay/neuter efforts, we save more lives together.

Sparkles

TEAMING TOGETHER TO HEAL

Sparkles was suffering from a fractured leg and Maricopa County Animal Care & Control reached out to AHS for help. Our medical team performed surgery to place pins in Sparkles' damaged leg, and one of our special donors from Prescott, along with PACC911, provided funding to help cover the costs of her medical care. After a month recovering in the home of a Foster Hero, she found a loving family in Mesa.

Every Donation Counts

When you make a gift of dollars or time, you're saving the lives of homeless pets in our community. AHS is not affiliated and receives no funding from the Humane Society of the United States or any other local, state or national animal welfare organization. Thank you for joining our #WagLocal movement.

volunteers donate their time and love: cuddling cats, playing fetch with dogs, assisting with events and educating children. But above all, they are the heartbeat of our organization. 2,636 volunteers put in 361,130 hours last year.

Julie + Suzie

SAVING LIVES IN SO MANY WAYS

Volunteer Julie Stromberg is a familiar face at our Nina Mason Pulliam Campus for Compassion. You can catch her several times a week weaving in and around the walking paths, giving some much needed outside time and socialization to our dogs. Julie has also served as a Foster Hero and simply couldn't resist keeping Suzie, who spent months in Julie's home after being rescued from a hoarding situation by our animal rescue and cruelty investigation team.

President's Club

Considered Arizona's most passionate animal welfare advocates, the President's Club includes our most loyal supporters who make annual contributions from \$1,500 to \$25,000 or more. Last year, gifts at these levels totaled a combined \$2.3 million – this giving provides the operational funding to run our core programs and services such as the Second Chance Animal Trauma Hospital™, Emergency Animal Medical Technicians™, Pet Resource Center, Parvo Puppy ICU, Bottle Baby Kitten ICU and more. *President's Club* members receive special recognition on an annual basis, alerts and insider news, special event invitations and much more.

Legacy Circle

Remembering the Arizona Humane Society in your Will, Trust or other estate plans allows us to help hundreds of thousands of animals through our leading-edge programs and services. The Legacy Circle is our special way of recognizing those whose planned gifts ensure a healthy financial future for our organization and the homeless pets in our care. *Legacy Circle* gifts are so special because they truly ensure the future of the Arizona Humane Society and thousands of animals in need.

Every Supporter Counts

For more than 10 years, I have witnessed the difference the Arizona Humane Society has made in the lives of pets (no, all animals) in our community – working to keep them safe and well; rescuing and caring for their physical and emotional needs. I have supported them not only for WHAT they do, but for HOW they do it. The AHS team has modeled evidence-based vet care; innovative programming; and transparent, ethical, responsible operations. I have also remembered AHS in my estate plans to help ensure a healthy financial future for AHS and to support the services AHS provides to thousands of animals each and every year.

Circle Of Friends

In 2007, Arizona Humane Society supporters Heather Greenbaum and Julie Belgrad organized a dedicated group of donors to raise funds specifically for spay/neuter initiatives. Coined The Nifty Fifty in 2007 and later Circle of Friends, these passionate donors have made possible the spay/neuter surgeries of tens of thousands of animals and have undoubtedly reduced pet overpopulation in our community.

Every Supporter Counts

The Arizona Humane Society proudly takes a leadership role in advocacy and education for spay/neuter initiatives and provides the critical resources to financially challenged families to ensure they are able to spay/neuter their treasured pets. By funding strategic spay/neuter initiatives since 2007 and collaborating with the Nina Mason Pulliam Trust since 2012, AHS has been instrumental in the reduction of homeless pets in our community. It is imperative that we, as animal advocates, continue to educate and provide resources necessary so that the intake of homeless pets continues to decrease. We are proud supporters of the Arizona Humane Society and the Circle of Friends.

Melissa Rupoli-Katz & Peter Katz

Every Supporter Counts

After learning that AHS was in need of tens of thousands of dollars in HVAC replacement and repairs, we decided to commit to helping the organization. We were delighted to find AHS is a group of fantastic people and the feedback we receive from the community thanking us is extremely rewarding. Partnering up with AHS has been nothing short of a positive experience.

Corporate Partners

AHS is endlessly grateful to our generous corporate partnerships. Whether it's much-needed funds or donated items, the support of these businesses is critical in our ability to serve the animals in our care.
