

What can we expect in Paws for a Cause? (Ages 5-6)

During this three-day long camp, campers will spend half days at AHS' South Mountain Campus engaging in fun games, activities, and crafts in addition to hands-on animal interactions. Campers will learn about the many ways animals (and people) communicate their needs and emotions to help promote empathy and respect for all living things.

This is a great option for your young animal lover who might not be ready for a full 40-hour week of camp, but is still looking for a unique camp experience this summer.
